Ultra Speed Pro® 20" High-Speed Floor Burnisher - 1500 RPM

Item#  
CRK-CLARKE1500

## Tough and Dependable

This Clarke Ultra Speed Pro 20" floor burnisher does a great job of polishing floors to a high shine in no time. Clarke has taken from their manufacturing experience and refined this machine down to be their toughest, most dependable model yet. Powered by a 1.5 HP motor that spins a pad at 1500 RPM, this high-speed floor burnisher is a must-have for facilities that want to maintain a "wet" looking, highly polished floor. Burnishing frequently helps to extend the life of a floor before it needs to be stripped down and recoated.
