State-of-the-Art & Powerful

The Trusted Clean 'Deluxe' is a state-of-the-art, non-heated carpet extractor that combines power with a large capacity, and it still maintains a size and weight that make it ideal for the single operator. The 'Deluxe' has a hi-tech design that holds a 12-gallon tank inside a surprisingly compact body. This allows for maximum efficiency and portability, and yet it still comes at a very affordable price. A very powerful model that delivers the ultimate in both pressure and suction, leaving carpets clean and virtually dry in record time.
