Ingestion	Not possible to ingest		
Skin contact	Safe, however washing by soap recommended		
Eye contact	Under normal use not foreseeable		
(5) Fire Fighting Method			
Extinguishing media	Use standard fire extinguisher		
(6) Accidental Release Measures			
Individual Precautions	: No special protection required.		
Environmental protection	: Abandon after use.		
Cleaning method	: No special way.		

Eikosha Co., Ltd.					Page 2/2
(7) Handling and Storage					
Handling precautions		No special demands			
Storage precaution/conditions		Keep products under 30 degree C preferable			
(8) Exposure controls and personal protection					
Arrangement of the workplace		No special demands			
Personal protection		No special demands			
(9) Physical and Chemical Properties					
Appearance		Liquid			
Color		light yellow according to fragrance			
Odor		Good Fragrance			
Solubility		none			
(10) Stability and Reactivity					
Stability		Stable			
Hazardous reaction		Non			
(11) Toxicological Information					
Acute toxicity		Basically all ingredients are safe			
Skin irritation		Not irritating			
Inhalation		Not known under normal use			
Eye contact		Not known under normal use			
Ingestion		Not known under normal use			
(12) Biodegradability					
		None.			
(13) Disposal Considerations					
Product		Recyclable			
Packing		Empty packing can be re-cycled			
(14) Transportation					
		no particular regulation			
(15) Regulatory Information					
Labeling		No dangerous labeling required
