

# Hoover® Task Vac™ Bagless Vacuum

Bagless Lightweight Commercial Vacuum

Item# HOV-CH53010

## Plenty of power and Great Value

The Hoover Task Vac is the perfect vacuum for maintenance because of its bagless dirt cup. You'll never have to buy disposable bags again! Not only do you reduce your long term cost with this model, but it also reduces your downtime. Empty your dirt cup after each use and when it starts to get more than 50% full. This ensures maximum suction at all times! It also comes with a tool kit that includes an 8' stretch hose, a 12" wand, 11" long reach crevice tool and an upholstery/dusting tool.

## Product Features:
