

CleanFreak® Carpet Cleaning Machine

Commercial Carpet Spot Cleaning Machine

Item#
SAN-CF-3

Affordable and Powerful Cleaning

With this CleanFreak commercial carpet spot cleaning machine, we've truly combined the maximum amount of cleaning power with affordability. The 3-gallon solution tank, 55 PSI pump, and 2-stage vac motor ultimately give you the power to spot-clean any carpet and remove stains that are not permanently set. You can safely and efficiently move this non-heated commercial carpet spot cleaner with the slide-out handle and rear wheels. It only weighs 21 pounds when empty, but when full, you're approaching 50 pounds, so the wheels make it extremely easy to wheel around.

Product Features:

- ✓ 55 PSI pump, 76" water lift
- ✓ Non-heated spotter
- ✓ 3-gallon solution/ 3-gallon recovery
- ✓ 8' hose & plastic detail tool included
