Features

HOOVER® Commercial 40V Cordless System

All new HOOVER® Commercial cleaning products are powered by the same 40V battery.

30% Lighter Weight*

Designed for more mobility, and to be used by more people on your staff.

Quick Pass Cleaning

Ideal combination of power and performance helps users clean more efficiently.

Auto Stop

To eliminate unwanted "runaway" movement, Auto-Stop disengages power to the brushroll and motor when the machine is on in the upright position.

HUSHTONE™ Two-speed motor

Hush mode for less disruption for guests. Boost mode for higher performance when and where you need it.
