NEW MACHINE WARRANTY

Tennant Company warrants to the original purchaser, for the above-stated periods (whichever occurs first), that machines will be free from defects in workmanship and material, provided that machines are installed, operated, and maintained in accordance with Tennant written manuals or other instructions.

This warranty does not apply to damage or failure caused by accident, freight damage, misuse, negligence, abuse, improper repair, or maintenance of the machines. Please refer to the Operator Manual for proper machine operation and maintenance instructions.

The warranty period begins on the installation date at the end-user site. A Machine Installation/Warranty Report form included with the Operator Manual must be completed and returned immediately at the time of purchase. If proof of purchase is unavailable, the warranty begins ninety (90) days after original sale to an Authorized Tennant dealer.

Demonstrator machines purchased from Tennant carry the same warranty as a new machine.

LABOR AND TRAVEL WARRANTY

Tennant will, at its option, provide labor and travel or pay for outside repair for the above-stated periods.

PARTS WARRANTY

Parts replaced or repaired under this warranty are guaranteed for the remainder of the warranty period. The parts warranty on batteries is pro-rated from the Tennant Company shipping date. Consumable parts, expected to wear from normal use, are not covered under the parts warranty. Items that are covered on a prorated basis includes tires (1 year) on rider machines. Battery chargers and accessories are warranted for one (1) year.

REPAIR PARTS WARRANTY

After the warranty period expires, repair parts supplied by Tennant are warranted against defects for the period of ninety (90) days, with the exception of batteries. Lithium-ion and Lead acid batteries are pro-rated for twelve (12) months. TPPL batteries are non-pro-rated for eighteen (18) months.

T7AMR, T380AMR, T600 & T600e lithium-ion batteries are warranted for five (5) years non-pro-rated or 2000 charge cycles (whichever comes first).

All AGM and Gel batteries are pro-rated for ninety (90) days. The repair parts warranty only covers parts, not labor or travel (see service labor section for terms).

SERVICE LABOR WARRANTY

Labor and travel performed by a Tennant service representative are warranted for thirty (30) days from the date the repairs are completed. This policy does not cover work performed by any service company other than Tennant and is restricted to the specific repair operation or component for which a claim is made.
