

TORNADO BR 13/2

Compact
Cylindrical
Scrubber

SMALL MACHINE. BIG RESULTS —
EVERYWHERE YOU CLEAN.

Item# TS070-W13-UG

Compact Design

With a 13" cleaning path and 14" tank head height, the compact BR 13/2 is highly maneuverable for cleaning in tight, narrow spaces typically reserved for a mop and bucket.

Deep Scrubbing Power

Featuring dual-rotating cylindrical brushes that effectively clean challenging floor types, including textured or uneven floors and grout lines.

Wall-to-Wall Cleaning

Adjustable squeegee levers enable cleaning and drying in forward and reverse, allowing for cleaning hard-to-reach spots along edges and in corners, and even the ability to pre-soak floors for double-scrubbing.

Pre-Sweep Function

Light debris is swept up into a debris tray by the counter-rotating brushes, reducing the need for pre-sweeping.

Excellent Water Recovery

Floors are left safe and dry thanks to the adjustable 20.5" parabolic rear squeegee and front squeegee that allow for water recovery in forward and reverse.

User Friendly

User-facing, intuitive controls minimize training time and allow anyone to be a Day-One Pro.

Cordless Cleaning

Avoid the hassle and hazards of cords with this battery-powered model, delivering an hour or more of run time and complete with an onboard charger.

Compact Storage

Transporting and storing the unit are made easy with large rear wheels, a foldable handle, and the ability to stand the unit on its end for compact storage.

Easy Maintenance

Keep downtime to a minimum with features like toolless squeegee replacement, a quick-change brush system, and easily removed recovery and solution tanks for filling, dumping and rinsing.
