

Trusted Clean Push Vacuum

Trusted Clean 'Quench' Wet Push Vacuum - 18 Gallon

Item# CPL-18VAC-24SQ

Easy To Use & Transport

The Trusted Clean Quench 18-gallon wet-dry vacuum is very easy to use with its fingertip controls and interchangeable tools. It's extremely easy to transport as well, with its 10" stair climbing wheels and durable roto-molded housing. Where this 18-gallon push vacuum really excels, is in liquid recovery. The front mount squeegee can quickly clean up and recover liquids from smooth surfaces. If you run into uneven, or hard-to-reach areas, the Quench 18 comes with a 3-piece wand and wet recovery tool.
