# UniVac™ Additional Tools & Replacement Parts

## UniVac™

Item # - XCU001

Corded Unit

### UniVac™ System Daily-Use Benefits:

- Save Money and Increases Floor Life Span
- Less Time is Needed to Clean the Floors
- Decreases Need of Costly Deep Cleans
- No Need to Sweep and Mop

## UniVac™

Item # - XCU004

Battery Unit

From Commercial Kitchens to Restrooms, the UniVac™ was engineered to withstand grease and oil. Built to handle daily abuse, the UniVac will be up to the task because it uses an innovative vacuum recovery system that traditional cleaning methods just can't compete with.

Use the front and back of this page to figure out what part(s) you need. When you figure out what parts you need, use the item # to place your order. Keep this product list in a safe place for future ordering.

## AC Vac Head
